Bacon, Egg & Cheese Croissants

Makes 4

2 Tablespoons Gourmet Garden Parsley

4 Croissants

4 Rashers rindless bacon, diced

1 cup (100g) grated cheese

1 large egg

Preheat oven to 200°C . Mix the last 3 ingredients and parsley in bowl. Slice the croissants open horizontally and spoon in the mixture. Place on a paper-lined baking tray and bake for 12 to 15 minutes or until the cheese has melted. Serve immediately.

Tip: 12 mini croissants will work too.

Fact: Parsley was used by Europeans as an after-dinner cleanser, the high content of chlorophyll in parsley helps freshen the breath.
